Healthcare is a highly regulated business sector with many complex and technical rules. At Charles Russell our Healthcare team can assist.

We can help you plan your business and reduce the risk of difficulties with regulators. We can also help you with a wide range of other issues including helping you buy or sell a business, resolve a property problem, or advise you on an employment issue.

We can provide you with a service that targets a single issue or a combination of issues. Whatever your need, you can rely on our team of specialists to provide you with practical, clear and focused advice.

Our expertise includes:

Regulatory

- NHS pharmacy contracts
- Dealing with regulators and advising on investigations bought by regulators
- Defending disciplinary cases

Litigation

- Civil litigation including commercial disputes and judicial review of decisions by the MHRA, the Royal Pharmaceutical Society, Primary Care Trusts, the Family Health Services Appeal Unit, and other public and governmental bodies
- Defending criminal allegations

Corporate

- Sale and purchase and structuring of healthcare businesses
- Joint ventures and strategic alliances
- Capital markets work
- Fundraising through private equity

Commercial

- Commercial agreements
- Data protection and freedom of information
- Outsourcing

Property

- Acquisitions and disposals
- Construction
- Planning

Employment

- Tribunal and Court claims
- Contracts of employment
- Disciplinary hearings
- Pensions

Competition law

- Competition law aspects of mergers and acquisitions
- Dawn raids
- Office of Fair Trading investigations
