As an owner, occupier or property investor, you are constantly faced with challenges and difficulties. You already know that the real estate market can quickly change. Which is why you need a legal team which is responsive, practical and can, quite simply, get things moving.

Offering you a full service

When you work with the Charles Russell Real Estate team you work with a group of experts who believe in cutting through the red tape and making things happen. We know that property law is already complicated. We don't want to make it more so. Which is why we are committed to a jargon-free, practical approach.

We offer a range of services from acquisition and disposals to advising on property finance, landlord and tenant issues and planning. And we have the expertise and experience to handle the most complex projects, such as city centre urban regeneration.

We advise a number of different clients such as investors, developers, occupiers, retailers, private estates and charities. But whoever we work with, we believe in offering a dedicated, personal service. So you will always have access to the same team of lawyers who will keep you informed at every stage of the process

And of course, when you work with our Real Estate team you also have access to other specialists in the firm.

Our real estate team have particular expertise in:

- Acquisitions and disposals
- Compulsory purchase
- Construction and engineering
- Development and regeneration
- Environmental
- Investment property management
- Landlord and tenant
- Occupier services
- Planning
- Property finance
- Property insolvency
- Property litigation
- Residential property investment
- Tax
- UK inward investment
